

Mathy Construction Company and Divisions

Mathy Construction and its Divisions are respected leaders in the asphalt paving industry. Founded in 1945, our company provides quality production, placement and maintenance of hot mix asphalt throughout Wisconsin, Minnesota, Iowa and the Upper Peninsula of Michigan. Additionally, we are a major supplier of construction aggregates. Our company specializes in projects such as interstate highways, airfields, commercial parking lots, residential streets, driveways, tennis courts, athletic tracks, recreational trails and bike paths.

A tradition of commitment, quality and excellence is the foundation of our continued success. **For more than 65 years**, our family-owned company has had a long-standing tradition in providing the highest quality products and services for our communities. Our dedication to both our customers and co-workers is testament to the values upon which this company was built and a basis for future generations to come.
