

US Forest Service

Brief Description of Organization: United States Department of Agriculture, Forest Service, Region 9, Lake States Acquisition Team.

The Lake States Acquisition Team (LSAT) provides procurement support to the four National Forests in Wisconsin and Michigan. LSAT awards contracts for a variety of different types of work related to land and resource management, road repair, and facility maintenance.

LSAT utilizes the Federal Business Opportunity website to advertise solicitations and require all vendors to be actively registered in the System for Award Management.
