

Wisconsin Department of Corrections

Brief Description of Organization: The Wisconsin Department of Corrections has a mission to:

- Protect the public, our staff and those in our charge.
- Provide opportunities for positive change and success.
- Promote, inform and educate others about our programs and successes.
- Partner and collaborate with community service providers and other criminal justice entities.

DOC is the largest state agency and operates 36 adult institutions and facilities with 10,000 employees statewide. DOC is responsible for the safe and humane custody of 22,000 inmates in prisons and correctional centers and the supervision of 68,000 adult offenders on court-ordered probation, parole or extended supervision in the community. DOC is also responsible for about 500 juveniles committed by the courts to secure state juvenile facilities or community supervision. A variety of other programs and offices support the DOC's public safety mission, which includes providing support and services to crime victims. The DOC's operations also include prison industry programs (Badger State Industries - BSI), correctional farms/dairy, and warehouse (Badger State Logistics - BSL).
