

Gabriela Garcia

Project Director, US DOT Great Lakes Region Small Business Transportation Resource Center (SBTRC)

Gabriela Garcia currently serves as Project Director for the US DOT Great Lakes Region Small Business Transportation Resource Center (SBTRC) at the Illinois Hispanic Chamber of Commerce (IHCC), the leading Hispanic business, networking, advocacy and development organization in Illinois.

In this role, she is responsible for establishing and building relationships with transportation leaders, assist agencies, and stakeholders across the Great Lakes Region to provide assistance to small businesses in the areas of bonding, business counseling, marketing, and capacity building.

Gabriela received her Bachelor's of Science in Marketing from the University of Illinois in Chicago. Gabriela is currently a member of the WTS International Chicago Chapter, and also a member of the Conference of Minority Transportation Officials Chicago Chapter.
